Instructions for patients having treatment under Intravenous Sedation

The following instructions are intended to help with your dental treatment. It is in your own interest that they are followed.

ON THE DAY OF TREATMENT

DO bring with you a responsible adult who is able to wait to escort you home (preferably by car) and then stay with you for the rest of the day.

Please **DO NOT** attend your appointment accompanied by either your own children or your escort's children.

DON'T go without food but have only light meals and non – alcoholic drinks.

DO take your routine medicines at the usual times.

AFTER TREATMENT

Your escort **MUST** take you home and **MUST** remain with you for the rest of the day.

REST quietly at home. **DO NOT** return to work until the following day

DON'T drive, operate any machinery or sign any documents.

DON'T sign important documents.

DON'T drink alcohol.
